To Whom It May Concern,

I'm writing this letter to recommend Kenneth for the open opportunity at your organization. He worked as a front-end engineer at Association Development Group from November, 2020 to February, 2021. During the course of his employment, his responsibilities included developing designer's mockups into responsive CMS system.

He brings positive energy and enthusiastically tackles tasks as directed. He is a skillful communicator, adapts quickly, and works well in an off-site work environment.

I hope you will consider Kenneth as he proves to be a valuable asset to any organization!

Sincerely,

Kathy Van De Loo
President and CEO
Association Development Group
